

# YOUTH ADVOCACY DAY

THURSDAY, FEB. 13, 2025 | 9AM-2:30PM

THE OLYMPIA BALLROOM | 116 LEGION WAY SE, OLYMPIA, WA

## WHAT IS YOUTH ADVOCACY DAY?

Youth Advocacy Day (YAD) is The Mockingbird Society's annual youth and young adult centered lobby day! Mockingbird participants and supporters meet at the WA State Capitol to speak with legislators about advocacy topics aiming to transform foster care and end youth homelessness. These topics have been identified, developed, and refined in chapters across the state by young people wanting to change the systems that most impact them.

The Mockingbird Society is a nonprofit advocacy organization. We partner with young people (age 13-26) who have lived experience being unhoused or in the foster care system to advocate for change in the systems that affect them.

## JOIN US AT YOUTH ADVOCACY DAY

Please join Mockingbird's youth and young adult network, staff, and other community allies to partner in ensuring youth voice is centered in the legislative process. YAD is a great opportunity to speak with legislators, make new connections, and create community. Breakfast and lunch will be provided.
