ABOUT THE MOCKINGBIRD SOCIETY

The Mockingbird Society (TMS) is a non-partisan advocacy organization focused on transforming foster care and ending youth homelessness. We do this by creating, supporting, and advocating for racially equitable, healthy environments that develop youth and young adults at risk of or experiencing foster care or homelessness.

POSITION SUMMARY

The Mockingbird Society’s Youth Programs – a powerful statewide coalition of young people impacted by foster care and homelessness ages 13-26 – focuses on leadership development, civic engagement, and direct youth involvement in state-wide system reform. Participants create change by developing leadership and advocacy skills, and then sharing their experiences and ideas for reform with key policy makers and the public. The Engagement Coordinator is responsible for all aspects of youth engagement for their assigned chapter, including recruiting, training, and coordinating advocacy efforts to positively reform the child welfare and homeless systems. To do this effectively, Engagement Coordinators partner with agencies in their regions and participate in local community efforts aligned with our mission. The Engagement Coordinator will also have a demonstrated commitment to equity in the work and the workplace being a priority.

This is a hybrid position in Seattle; the Engagement Coordinator is expected to travel for annual events and meetings.
