

MEET YOUR LEGISLATORS

36th Legislative District

**State Senator
Noel Frame
(D)**

Senator Frame has taken on challenges to reform our criminal legal system, build more affordable housing, strengthen and investing in the diverse communities that make up WA state, balance our tax code, and more. She has advocated for youth involved in the foster care and juvenile justice systems and to expand services for individuals with intellectual, developmental and behavioral health challenges.

She has 20 years' experience in the non-profit, private, public, and political sectors.

She is the Assistant Majority Floor Leader. Her committees include Business, Financial Services, Gaming & Trade (Vice Chair), Housing (Vice Chair), and Human Services.

**State Representative
Julia Reed
(D - position 1)**

Representative Reed is the Black and bi-racial daughter of two public school educators. She consults with businesses, school districts, and nonprofits on racial equity, workforce, and economic development issues. She is committed to expanding the skilled workforce that WA State needs, with a focus on uplifting underrepresented communities and providing pathways for youth. She has worked with the State Department and the Office of Management and Budget, led a redesign of the city's youth employment system, and more.

She is the Assistant Majority Whip.

Her committees include Postsecondary Education & Workforce (Vice Chair), Capital Budget, and Housing.

**State Representative
Liz Berry
(D - position 2)**

Representative Berry is an advocate for working families who rely on affordable childcare and the public education system, combating climate change, building vital infrastructure that is safe, equitable, and green, and the legal rights of patients, consumers and injured workers. She is a lifelong champion for women in leadership and reproductive justice.

She serves on the Legislative Committee on Economic Development & International Relations and as an alternate member of the Pacific NW Economic Region Delegate Council organization.

Her committees include Labor & Workplace Standards (Chair), Environment & Energy, and Transportation.
